

LBA and LaBA License Renewal Continuing Education Requirements

All LBA and LaBA licenses issued in the state of Nevada expire 12.31.2022 and must be renewed prior to this date. Licensees must verify completion of required continuing education units for each 2-year licensing cycle. CEU's must be provided by an ACE provider to be counted toward the required totals.

The Nevada Applied Behavior Analysis Board underwent operational and regulatory changes late last year. Due to these changes, adjustments have been made for this renewal period.

Renewal applications will be accepted beginning October 1, 2022.

The ABA Board approved the following adjustments to CEU requirements for 2022 renewals

All Licensees are required to obtain the following Nevada-specific training:

- 2 units of evidence-based Suicide Awareness/Prevention
- 2 units of Cultural Competency/Diversity training

These are required by state law for persons holding a license. If CEUs are provided by an ACE provider they will count toward the total required CEUs. If they are not provided by an ACE provider, they will be in addition to the required CEU's.

Licenses issued 1-2-2021 through 12-31-2021:

- Must obtain 100% of required units including the required Nevada trainings
- LBA's: 32 units
- LaBA's: 20 units

Licenses issued 1-1-2022 through 3-31-2022:

- Must obtain 50% of required units including the required Nevada trainings
- LBA's: 16 units
- LaBA's: 10 units

Licenses issued 4-1-2022 through 10-31-2022:

- Must obtain 25% of required units including the required Nevada trainings
- LBA's: 8 units
- LaBA's: 5 units

Licenses issued 11-1-2022 through 12-31-2022:

- The only CEUs required are *the 4 units of Nevada-specific training for Suicide Awareness/Prevention and Cultural Competency/Diversity.*

The renewal process will be conducted electronically through Certemy beginning October 1, 2022.

Please do not try to renew your license prior to this date. If you have renewal related questions, please contact the ABA office at renewals@nvababoard.org or call 775-746-9429.
